Book Overview:

I see London, I see France
I see Sydney's underpants.

Nineteen-year-old Sydney has the perfect summer mapped out. She's spending the next four and half weeks traveling through Europe with her childhood best friend, Leela. Their plans include Eiffel-Tower

selfies, eating cocco gelato, and making out with trÃ’s hot strangers. Her plans do not include Leelaâ€™s cheating ex-boyfriend showing up on the flight to London, falling for the cheating ex-boyfriendâ€™s trÃ’s hot friend, monitoring her motherâ€™s spiraling mental health via texts, or feeling like the rope in a friendship tug-of-war.

In this hilarious and unforgettable adventure, New York Times bestselling author Sarah Mlynowski tells the story of a girl learning to navigate secret romances, thorny relationships, and the London Tube. As Sydney zigzags through Amsterdam, Switzerland, Italy, and France, she must learn when to hold on, when to keep moving, and when to jump into the Rivieraâ€™ wearing only her polka dot underpants.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
